

## OUR TRAINING PROGRAMS

We are a professional culinary training school. We train novices into cooks and cooks into chefs. Vocational training is especially useful for those who have no prior culinary training. For those with prior training or experience, our professional Thai cooking course is recommended.

### PAN-ASIAN VOCATIONAL CULINARY TRAINING

Learn basic culinary skills and learn the most popular dishes from Thailand, China, and Japan. Become a Pan-Asian chef! Join our 265 hour intensive 7 weeks training program which is Thai Ministry of Education accredited. Optional paid internships for up to 2 months are available in Thai hotels/resorts. We find jobs for our students, and classes are conducted in English. Accommodations provided for International students.

### PROFESSIONAL THAI COOKING COURSE

Perfect for those interested in mastering Thai cooking, study for 4 or 8 weeks in an accredited course conducted in English. Learn 100-200+ professional Thai dishes, receive recipes in English, learn authentic Thai cooking. Accommodations included for international students.

### FOREIGN EXCHANGE STUDENTS

Presently attending a foreign university, culinary or hospitality school? Come study with us, learn Thai cooking, learn about Thai culture, and earn school credits. Our program is flexible and teaches the ins & outs of authentic Thai culinary arts. Learn up to 200+ professional Thai dishes while experiencing southeast Asia's most exotic city. Accommodations provided.

### PRIVATE CHEF TRAINING

For experienced chefs and those in a hurry to learn Thai cooking, this course is perfect. Schedule 1 or 2 weeks of one-on-one training with one of our chef trainers. Select just what you want to learn, and we will teach you privately.

### FRUIT CARVING TRAINING

Fruit carving adds a little extra to any dish and shows your customers how much you care. Training ranging from 1/2 day to 2 weeks is available to our professional students.

**Internships:** Internships are available for up to 2 months

Our English-speaking Thai chefs will demonstrate each dish and then students will duplicate the same dish. Typically 4 professional dishes are taught daily.

Classes are conducted primarily in English (with some Thai spoken with our Thai students, as needed). Our goal is to increase the English-speaking skills of our students so that we can assist with job placement on ships and in hotels/restaurants. There is no charge for our internship and job placement assistance.
