## INTERNATIONAL ASIAN CULINARY TRAINING PROGRAMS

Thai Chef School is an accredited professional culinary training school in Bangkok, Thailand. Emphasis in all instruction and training is directed towards achieving authentic flavors, aromas, professional presentation, and competency in dish preparation. There is no better place to learn Asian culinary arts than in Bangkok, the cultural and culinary capital of Thailand.

Our all-inclusive programs are designed to teach culinary and hospitality students the basics of Pan-Asian cooking. Several different learning programs are available: (1) Pan-Asian course for 6 weeks teaching Thai, Chinese, and Japanese cuisines, (2) Thai culinary training from 1-8 weeks, teaching up to 200+ professional Thai dishes, and (3) a specially designed program to fit your needs.

Individual students and groups from other institutions are accepted into this program. Assistance is provided with obtaining visas. Tuition includes private accommodations with private bath, air con, wifi... A diploma is granted upon successful completion of these training courses.
