"Training Students from Around the World"

Accredited by Thai Ministry of Education

INTERNATIONAL ASIAN CULINARY TRAINING PROGRAMS

Thai Chef School is an accredited professional culinary training school in Bangkok, Thailand. Emphasis in all instruction and training is directed towards achieving authentic flavors, aromas, professional presentation, and competency in dish preparation. There is no better place to learn Asian culinary arts than in Bangkok, the cultural and culinary capital of Thailand.

Our all-inclusive program is designed to teach culinary and hospitality students the basics of Pan-Asian cooking. Two different learning programs are available: (A) Pan-Asian course for 7 weeks teaching Thai, Chinese, and Japanese cuisines and (B) Thai culinary training over 4 or 8 weeks, teaching 100-200 professional Thai dishes. All instruction is in English by chef instructors.

Individual students and groups from other institutions are accepted into this program. Assistance is provided with obtaining visas. Tuition includes private accommodations with private bath, air con, wifi... A diploma is granted upon successful completion of these training courses.
